PREVENTATIVE MEASURES TO BE RESPECTED

Dear visitors,

Marqueyssac gardens have been adapted to welcome you in the best possible conditions, in compliance with government measures in terms of protection and prevention. Your safety and the safety of our employees has always been our absolute priority. We have introduced new measures to preserve your health, your safety and that of our employees'.

AT THE ENTRANCE

Face masks are compulsory.

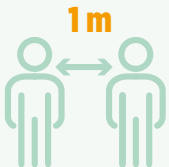

Respect the distance markers at the till.

Disinfect your hands with the alcohol-based hand sanitizer available at the entrance to the reception and the shop.

Do not put your hands on the railings.

Maintain at least a metre distance between yourself and others.

Favour contactless bank card payments.

ACCESS TO THE SHOP

The items in the shop are not disinfected. For this reason, please respect the following rules:

Face masks are compulsory in the shop.

Respect the distance markers at the till.

Disinfect your hands with the alcohol-based hand sanitizer available at the entrance to the shop.

Maintain at least a metre distance between yourself and others.

Avoid touching the items on display in the shop.

ACTIVITIES IN THE GARDEN

Face masks are compulsory when in contact with our staff.

Maintain at least a metre distance between yourself and others.

The protection and prevention measures recommended by the public and health authorities apply to all of our services: **the shuttle service, the wood-turner, the children's workshop and also the guided tours, access to the restaurant and the château;** visitors who wish to participate in these activities must wear a mask if it is not possible to maintain a metre distance between each person.

VISITING THE GARDENS

The entire visit takes place outdoors. All infrastructures, railings, bins, benches, play areas, nets, telescopes and drinks dispensers are not disinfected.

For this reason, please respect the following rules:

Maintain a metre distance between yourself and others during your visit and when using the benches and rest areas.

Avoid crossing other visitors on the narrow pathways.

Avoid touching the railings, signs, barriers and telescopes.

THE TOILETS

Access is limited, the toilets are cleaned and disinfected regularly. This process takes time. When the toilets are being cleaned, visitors must wait outside.

Face masks are compulsory.
